Saraswati Shishu Vidya Mandir IX-D
Senior Secondary (+2) School

There is no question about it - **Success at school begins at home**. One of the most important components of a good school is the participation/relation between the school and parents, who work together for the best interest of children.

This close partnership between home and school is one of the exceptional strengths at SSVM, 9D. Of course there is a strong tradition of supportive, hard working parents cementing this partnership at SSVM, 9D. SSVM, 9D is an amalgamation of teachers, State-of-the-art infrastructure and an experienced and efficient administration. The school came into existence with the vision of creating a safe and supportive environment for its students to provide a perfect balance of academics, sports, artistic and social opportunities. Childhood, youth and learning should be a joy and we strive for that.

While studying at the school, the students are groomed to become confident, articulate and enlightened young citizens, ready to step into global society with dignity, honour and integrity. Children need to provide free time to explore their world and experience the joy of discovery.
